

### Ascension Day Sermon Slated

"Christ's Continuing Ministry," is the topic for the sermon to be delivered at the 11 a.m. service this Sunday at the Central Evangelical United Brethren Church, Marcelina and Arlington avenue.

"This is a message for Ascension Sunday, and it calls attention to the fact that Christ, now dwelling in the Eternal World, is ministering to Humanity in a fuller and richer way than he could while on earth," Rev. U. S. Schauer explained.

On Wednesday, May 24, the annual business meeting of the church will be held beginning at 6:30 p.m. in the Central Guild hall.

The Ladies Guild will serve a dinner to be followed by the business session.

## Six New Classrooms Planned

PLANNERS . . . Members of the St. Andrew's Episcopal Church looking over plans for the proposed new classroom structure to be built adjacent to the church are (left to right) Rev. Arthur E. Bello, rector; Charles Eade, architect; Al Turner and Ed Rhone, vestrymen. Eade drew up the plans for the Spanish Mission style structure.

Plans for six new classrooms to be built next to the St. Andrew's Episcopal church will be presented to the parish members at a semi-annual dinner meeting tomorrow evening, beginning at 6:30 in the parish hall.

Crowded conditions in the present classroom facilities at the church have prompted church officials to plan the new classroom structure, according to Rev. Arthur E. Bello, rector of the parish.

Plans drawn up by Charles Eade, member of the church and director of the Boys' choir, call for a building in Early Spanish mission style to blend with the present buildings.

A committee of church members has been appointed to raise funds to build the new structure. Leading the committee are co-chairmen Al Turner and Mrs. Mary Ulmer.

The Sunday school has grown to the extent that classes are now being held in the kitchen, the rector's office, and outdoors as well as in the church, the Rev. Mr. Bello said.

"Other classrooms are crowded beyond their capacity," the rector said.

Parishoners attending the dinner meeting tomorrow evening will be served a spaghetti dinner beginning at 6:30, prepared under the direction of Jack Miller.

### REV. BELLO TO ATTEND CHURCH CONVOCATION

Starting at 5 p.m. yesterday, a series of meetings and conferences was scheduled for the convocation which was held at St. Luke's parish, Atlantic avenue and Seventh street, Long Beach. The Rt. Rev. Francis E. Bloy, bishop of Los Angeles presided. He was also scheduled to talk to all rectors, vicars, bishops' committees, and vestrymen.

Other discussions of women's auxiliary work, missions, mission expansion, and general convocation problems were scheduled for the one-day meeting.

### 'Soul and Body' Science Theme This Sunday

The subject of the Sunday Bible lesson in all branches of the Mother Church, the First Church of Christ, Scientist, in Boston, will be "Soul and Body." The Golden Text selected from the Psalms, reads, "My soul, wait thou upon God; for my expectation is from him."

In a passage from Luke's Gospel it is recorded that "Jesus returned in the power of the Spirit into Galilee. . . And Simon's wife's mother was taken with a great fever; and they besought him for her. And he stood over her, and rebuked the fever; and it left her; and immediately she arose and ministered unto them. Now when the sun was setting, all they that had any sick with diverse diseases brought them unto him; and he laid his hands on every one of them, and healed them."

In the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, this correlative statement appears: "Christ, Truth, was demonstrated through Jesus to prove the power of spirit over the flesh,—to show that Truth is made manifest by its effects upon the human body, healing sickness and destroying sin."
